# Junior Developmental Communication

**Integrating Public Speaking, Writing, and Personal Growth**

Start Date: April 19th

## **Course Overview:**

This integrated course aims to empower junior students by honing their communication abilities through public speaking and writing while fostering personal development. By intertwining these elements, students will not only enhance their linguistic skills but also develop confidence, critical thinking, and self-awareness.

## **Course Objectives:**

- Develop effective oral communication skills through public speaking.
- Improve written communication skills, including composition and expression.
- Foster personal growth and self-awareness through reflective exercises.
- Enhance critical thinking and analytical abilities.
- Cultivate empathy, resilience, and interpersonal skills.
- Promote creativity and self-expression in communication.

## **Course Structure:**

### **Module 1: Understanding Communication**

- Introduction to the importance of effective communication.
- Exploring different forms of communication: verbal, nonverbal, and written.
- Reflective exercises on personal communication strengths and areas for improvement.

### **Module 2: Public Speaking Fundamentals**

- Review of basic public speaking principles from Level 1.
- Introduction to advanced public speaking techniques: voice modulation, body language, and persuasive speaking.
- Structuring and delivering impactful speeches on personal topics.

## **Materials Needed:**

- Writing materials (notebooks, pens/pencils, laptops/tablets).
- Presentation software for public speaking exercises.
- Resources for reading and writing assignments.
- Art supplies for creative expression activities.
- Reflective journals or digital platforms for self-reflection.

**By following this integrated approach, students will not only enhance their communication skills but also develop essential personal qualities such as self-awareness, empathy, and creativity, setting a strong foundation for their future academic and personal success.**
